To Whom It May Concern:

I thought that I would drop you a line regarding your product. I had the opportunity to realize the effectiveness of the WhipGuard recently after being struck by another vehicle on the rear driver side of my vehicle. Oh thank God for your product. As I was thrown forward when struck then my vehicle struck the car in front of me throwing back again in the opposite direction. I should have been injured, but because I had installed your product, I was spared an agonizing and possibly debilitating injury. Thanks again, I will recommend to all my family and friends.

Grateful,

Burt Marvin
